

## **Davis Training Annual First Aid Refresher Course**

A three-hour course which leads to an attendance certificate. This course is designed to refresh the delegates' knowledge and skills and to give them renewed confidence in continuing in the role of a 'first aider' within the Workplace. Training will be focused on first aid within their working environment and will take into account hazards and the types of injury casualties may suffer from. Delegates will be refreshed in first aid treatments and in how to recognise when it is necessary to get expert help.

### **Course contents:**

- **Health and safety first aid regulations and the role of first aiders within the workplace**
- **Managing an emergency**
- **The priorities of first aid**
- **The primary survey of a casualty**
- **The secondary survey of a casualty**
- **The unconscious casualty**
- **The casualty who is not breathing normally**
- **Control of bleeding**
- **Open forum**

All delegates will be continuously assessed during the course by the trainer and on successful completion, will be awarded an attendance certificate.

### **Cost:**

For up to twelve delegates; £250 total plus mileage costs incurred by trainer.  
If two refresher courses are held per day, the total cost is £450.00.
